## PROFILE

A dynamic and result-oriented software developer with a passion for innovation. Strong Project manager, Skilled multi-tasker, and effective at leveraging an extensive technology and customer relations background to creatively solve problems and ensure an exceptional client experience. Adept at creating robust software solutions. Quick learner, collaborative team player and detail oriented.

## WORK EXPERIENCE

### Event Coordinator

Mental LTD

2023

- Successfully handled an event in conjunction with the Dubai Police at World Skills Asia, Abu Dhabi, 2023
- Implemented marketing and promotional strategies to maximize attendance and generate excitement about the event and the showcased VR product.
- Provided on-site support and troubleshooting during the event to address any issues or concerns promptly and ensure a positive experience for all attendees.
- Gathered feedback from attendees and stakeholders to evaluate the success of the event and identify areas for improvement in future events.
- Managed post-event follow-up activities, including thank-you notes, debrief meetings, and documentation of lessons learned for future reference.

### Sales Executive

Burjuman Center Retail

2022-2023

- Held sole responsibility as the primary sales executive at a dynamic textile and footwear stall located within Burjuman
- Spearheaded sales initiatives, consistently achieving or surpassing sales targets through proactive customer engagement and effective product promotion techniques.
- Handled day-to-day financial transactions, including managing petty cash and maintaining accurate records, demonstrating strong attention to detail and financial responsibility.
- Collaborated closely with team members to streamline operations and optimize efficiency, contributing to a cohesive and productive work environment.
- Provided exceptional customer service, addressing inquiries, resolving issues, and cultivating positive relationships.
